

3/24/17

Dear VME Family,

I wanted to share some exciting news.

I have accepted the position of Business Manager with the Erie Catholic School System effective Monday, March 27th. I will be overseeing the business operations of Erie Catholic and engaging in strategic planning with the President and the Board of Directors. I am looking forward to continuing to work with Damon to further the mission of Erie Catholic.

Even though I will begin my responsibilities next week, I will be physically located at VME and continuing to work on VME business until the end of the school year. On occasion, I will be out of the building to attend meetings, but will always be reachable by cell phone.

I am very excited to be a part of the future of Catholic education in our area; to be a part of the foundation that will make Catholic education a standard of excellence in academics and in faith. Although I am eagerly anticipating this next chapter, it is bittersweet.

The VME difference is something that I have looked forward to every day for over two years and I know that I will miss that, the staff, the administration, the children and all of you, who I have had the pleasure of interacting with during my time at VME. I will be forever grateful for the opportunity that I was given here. I hope that all of our paths will continue to cross and I look forward to serving you in my new capacity as Business Manager for Erie Catholic and spreading Christ's good news together.

Sincerely,

Heidi Sheehan
Finance Director
